"Christina Soontornvat is the New York Times bestselling author of books for children of all ages. She received a Newbery Honor award for *All Thirteen* (2021), for *A Wish in the Dark* (2021) and *The Last Mapmaker* (2023). She travels all over the world to speak to children, writers, and educators about her love of reading and storytelling.

Christina grew up behind the counter of her parents' Thai restaurant in a small Texas town with her nose stuck in a book. She is very proud of both her Thai and her Texan roots, and makes regular trips to both Weatherford and Bangkok to see her beloved family members (and eat lots and lots of Thai food!). In addition to being an author, Christina holds a B.S. in Mechanical Engineering and a master's degree in Science Education "(Soontornvat).
