Erin Hunter is a collective pseudonym used by the author Vicky Holmes, Kate Cary, Cherith Baldry, Gillian Philip, Inbali Iserles, Tui T. Sutherland and Rosie Best. They wrote several juvenile fantasy novel series, which focus on animals and their adventures. Some famous works include the *Warriors*, *Seekers*, *Survivors* and *Bravelands* book series.

The authors have specific roles. First, Holmes, the editor, writes the preliminary script and sends the outline to Cary, Baldry, or Sutherland, depending on who writes the book. Then, the author develops Holmes's ideas into a single book and sends the book to Holmes for one last checking and editing. Afterwards, the author fixes it up and gets ready to publish it.
